Task 5 - p.133

## Is this your ideal school?

### SANTA CLAUSE SCHOOL

It's time to get ready for the New Santa School Year! The Santa Claus School is more than 70 years old. It opens for 6 days every year;

October 13, 14 and 15 and November 3, 4, and 5. Lessons take place at the Santa House in downtown Midland, Michigan.

At the Santa School, students meet Mr Santas and Mrs Santas from around the world. Everyone listens to Santa stories. We come together to share our love of Christmas and the magical spirit of Santa Claus. The School is full of love, laughter, and learning. That's why it is the oldest and most famous school of its kind.

Come to our school and experience what Christmas dreams are made of!

### SCHOOL OF THE AIR

The Alice Springs School of the Air is for children living in Central Australia.

These children live in an area which is miles away from cities and towns. They are active, healthy, and have lots of free time. They learn about animals and plants of the Outback. Most of them learn to ride horses at an early age.

The School of the Air simply helps these children learn about the outside world. Children do not go to school every day. They have 'on air lessons'. Students listen to interesting radio lessons and watch educational videos. Teachers send them their homework through e-mail and students send it back.
